

You will need your driving licence number (if you drive)

1. This will have been sent to your email address by your employer (group) so please check your junk/spam if you believe you haven't received it.

Read the email you receive and follow the instruction.

2. Fill in the registration information. Your registration email should already be filled in for you. You **MUST** use the same email address that the invite has been sent to.

NOTE: If you already have an account, simply Login using those details.

Register

You **MUST** register in the name of the person who is taking the course.

Email Address *

Confirm Email Address *

Password (Must contain a minimum of 8 characters) *

Please try to use a strong password containing lowercase and uppercase letters, numbers, and special characters.

First Name *

Last Name *

3. Once you have completed your details, click the orange **Register** button.

I do not have a driving licence

Driving Licence Number

Example: GIBBS803226LA123

Your Data is our Priority

We do not share sell, or rent your personal information to any third party. In some cases, we may share your successful training record with the local authority you work for. It is collected to ensure your individual identity and for security purposes.

I have read and agree to the [Terms of Service](#).*

Register

4. You will be sent to a **Congratulations** page where you can access your **Dashboard** and **Courses**.
NOTE: During your registration, you will have been added to the group you were invited to.

Congratulations!

Congratulations on registering for Spectrum Courses!

You can now access your Dashboard [here](#), where you'll find all the resources and tools to make the most of your learning experience. You can view the available courses on our [Courses](#) page and get started right away.

From your Dashboard, you'll also find links to additional services and resources to support your progress. Explore at your own pace, and reach out via the support ticket system if you need any assistance.

Happy learning!
